"Thank you for having Jenn for this semester, I know you have your hands full with your herd, I just couldn't think of anyone better who would take her while I went through this." Rebecca said.

"No problem sis, I already have four- five if you count Joe, what's one more." Devin says.

"How's Joanna?"

"She's good, she's actually walking now." Devin says.

"Aww how cute."

"I know right, she actually started walking like three months ago."

"You know what they say?"

"What?" Devin asked.

"If your child starts doing things early they're moving out of the way for another one."

"Shut up!"

Rebecca laughs and says. "How's Joseph doing I know he was sick."

"He's actually doing better now, it was just a little fever."

"That's good how's Joelle and Joelynn?"

"Besides the continent attitude and nobody has time for me they're fine."

"Mmm sounds fun, well I'll talk to you later." Rebecca says.

.

.

"Dev!" Rachel said walking into the kitchen.

"Oh my gosh you're so big!" Devin said touching her friends stomach.

"I know!"

"You guys didn't waste any time did you?" Devin said.

"Nope- where's Joe?" Rachel asked.

"He's upstairs taking a nap, I think."

"Why isn't he on the road?"

"That's something you'll have to ask him." Devin said turning around.

"Devin!" Rocky yelled coming into the kitchen.

"How are you guys getting into my house?"

"Our keys?" Rocky said waving them in her hand.

"Yeah not the best idea, you know I was under a lot of medication when I thought that was a good idea." Devin said.

"I'm sure."

"Oh Devin do you think you can make the rehearsal dinner?" Rocky asked.

Rocky and Johnathon were now getting married.

"Sure, when is it?"

"In a couple of months."

"Sure."

Looking up and seeing her husband walking into the kitchen Devin says.

"Good morning sleepy head."

"Where`s the kids?" Joe asked with a tired look on his face.

"The girls are upstairs in Lynn's room, Joanna and Joseph are sleep."

"Hey Joe why aren't you on the road?" Rachel asked.

"Because my wife just had a baby."

"She had the baby eleven months ago."

"So." Joe said.

"He got suspended." Rocky said.

Joe's head snapped to Rocky.

"Johnathon told me."

"What happened?"

"He got in a disagreement with one of the new talents." Devin said.

"Disagreement- they were fighting."

"Like a real life brawl."

"Thank you Raquel." Joe said.

"Well if yal would have told me instead of being all secretive none of this would have happened." Rachel said.

"Rachel you're getting bigger every day!" Rocky said switching the conversation.

"I know Dev was just saying that." Rachel said.

"Hey are you guys having any more kids?" Rachel asked.

"NO." Joe and Devin said together.

"Well dang that didn't take any thought." Rocky said.

"It's just i had alot of anxiety while i was pregnant with her and then there was all that stuff that was going on around that time, i can't put my self or Joe through that again."

"That and I got my tubs tide after the Joanna." Devin continued.

"Well that would defiantly keep you from having another one." Rachel says.

"Well that's good, not that you were having anxiety part but the fact that you're not having anymore lids."

Putting her hand on her hip Devin asked.

"What is that supposed to mean?"

"You've been pregnant for the past three years, i was starting to wonder if you two were aware of this thing called birth control."

"You're just mad because no one wants to impregnate you."

"Yeah that's it." Rocky say sarcastically

" Any ways- do you want any more after this one Rach?" Devin asked.

"Probably one more."

"What about you kel?"

"Tee-Tee can I have a snack?" Jenn asked.

"Sure."

"So Rach, are you having any weird cravings?" Joe asked.

"Not really."

"Mmm, with this last pregnancy Devin craved mayonnaise."

"That`s not that weird." Rocky says,

"Just mayonnaise."

"That`s disgusting."

"Do you know Jenn is trying to eat strawberrys?" Rachel asked with her eyes on her best friend's niece.

"JENNIFER!" Devin yells causing Jenn to jump.

"Come here." Joe says.

Moving a few inches Jenn stops walking.

"Come here." Joe repeated.

Jen doesn't move.

"You see there is there here is here, come here."

Walking closer to him Jenn says.

"Yes."

"Why do you do that?"

Jenn shrugs.

"You know why."

"I just want one."

"But Jennifer you know you're allergic to fruit, and if you eat it your throat gonna close."

"I know."

"And you want it any ways?" Joe asked.

Jenn nods her head.

"Go put it back and get something else."

Jenn turns around and goes to pick out another snack and then made her way back to her cousin's room.

Just then the doorbell rang.

"I'll get it." Devin said.

.

.

"Yes."

"Does a Leati Anoa'i live here?"

"I have to see, who are you?" Devin asked.

"I'm Jazmine- his daughter."

Devin's heart dropped.

"Joe!" Devin yelled not taking her eyes off of Jazmine.

"Yes hun."

"This girl says she's your daughter."

"My what?"

"I`m your daughter." Jazmine said.

"I`m sorry I only have three daughters and they're all upstairs- good bye." Joe said closing the door.

"Jazmine Layfield is my mom." Jazmine said before he closed the door.

"What did you say?" Joe said snatching the door open.

"Jazmine Layfield is my mother."

"Do you know a Jazmine Layfield?" Devin asked.

"I use to- but she couldn't have been pregnant."

"Well obviously she was."

"What did you say your name was?" Devin asked.

"Jazmine- Jazmine Anoa`i."

"You were named after your mom?" Devin asked titling her head.

"Yes I was named after my mom who was named afterâ€|"

"The princess off of Aladdin." Joe said.

"Yeah you remembered."

"uh huh."

"Mom said she use to tell you that story all the time."

"You look exactly like your mother did when she was your age." Joe says.

"Thanks, I get that a lot."

"Where's your mom now?" Devin asked.

"She left."

"Left where?" Rocky asked.

Jazmine shrugged and said. "To visit my grandma in new Hampton I think."

"And she just left you?" Devin asked.

Jazmine nods her head.

"How did you find us?" Joe asked.

"I remembered my mom told me about you and I looked you up in the phone book."

"Wait how old are you?" Rocky asked.

"16."

"I'll be back." Joe said closing the door.

"What do we do?" Joe asked.

"Well we can't just leave her out there." Devin said.

"Why not her mom did." Rocky said.

"Raquel!"

"I'm just saying we don't really know if she's really his daughter, she could be some stalker fan." Rocky said

"Exactly." Joe said

"I don't know if there's even a possibility that I'm her father." Joe continued.

"Did you sleep with her?" Devin asked.

"Huh?"

"Its not a trick question, did you sleep with her?"

"Yes."

"Did you use protection, was she on birth control?"

"I don't remember, it was so long ago- but I highly doubt it, I was in high school."

"You had unprotected sex with her so there is a possibility you're her dad." Devin said.

"That doesn't necessarily make him her dad, if she was pregnant he would have noticed, don't you think being that he had to see her every day in high school." Rocky said.

"She moved with her grandma's after we broke up, she didn't take our break up to well."

"I still stand by what I say, you don't know if she is his kid or some crazy fan."

"But she knew about Jazmine Layfield." Devin said.

"Devin don't be so stupid, anyone with a yearbook would know Jazmine Layfield." Rocky said.

"But who would go that far?"

"So what are you suggesting Devin?" Joe asked.

"I'm not saying she stay here- we can't let no random girl we know nothing about just stay here with our kids."

"So what are we going to do?"

"Put her in a hotel." Rocky suggested.

Joe sighs and says.

"I'll be back." and walks away.

.

.

"Sorry we had you waiting for so long." Devin said opening the door.

"Its okay, can I come in?"

"Uh- sure." Devin said stepping to the side.

"Joe`s on the phone right now he'll be back soon." Devin said as they sat on the couch.

"Okay." Jazmine said looking around.

"So were you born here in Pensacola?" Rachel asked.

"No I was born Miami."

"Florida?"

"Yeah."

"So was I." Rocky said.

"That's cool." Jazmine said as the conversation died down.

"So I think someone mention dad having other kids." Jazmine says picking up the conversation.

"Yeah four 11, 6, 2, and eleven months." Devin said.

"How old are you, you don't look old enough to have an eleven-year-old."

"Thirty and she's from Joe's first marriage, but I've raised her like she was mines since she was seven."

"How nice of you." Jazmine said.

"Okay so- oh you let her in." Joe said.

"Yeah it was hot out there."

"So I called all the nearest hotels and there booked for a week- so I looks like you're staying here until next week or until your mom comes back whichever is quicker." Joe said.

"You were going to make me stay in a hotel?" Jazmine asked with the saddest look.

"I`m sorry, its nothing personal it's just I have kids upstairs that I have to protect and I don't know anything about you, had it just

been me that be different but it's not sooâ€|"

"I get it."

"And I`m going to need a paternity test."

"What?!" Jazmine asked.

"What you expected to just come up in here and say you're his daughter and he`d be like okay without any actual proof?" Rocky asked.

"ROCKY!" Devin called.

"What?"

"No I get it." Jazmine says.

"So where am I sleeping?"

"In the back house." Rocky says.

"In the what?" Jazmine asked.

"It`s really nice, it has everything but a kitchen in there." Rachel explains.

"So who's hungry?" Devin asked slapping her hands on her lap.

"I am!" Jazmine said.

"So am I." Rachel said.

.

.

While everyone was sitting around the table eating lunch and enjoying each other's company Devin struggled to try to feed Joanna and to get Joseph to eat his food.

Devin sighs.

"Do you need some help?" Jazmine asked as she watched her struggle.

"No it's okay, I got her and Joseph can eat by his self." Devin said with a look of frustration.

Joseph throws his food on the ground and folds his arms.

"Joseph stop it!" Devin said turning around and picking up his food and plate and giving him more.

"I`ll take Joanna." Joe said pulling her high chair closer to him.

"Thank you." Devin says letting out a harsh sigh.

Jazmine just stares at Devin, as Joseph throws his food down

again.

"JOSEPH YOU DO THAT AGAIN AND I`M NOT GIVING YOU ANY MORE!" Devin yelled.

He throws his food again.

"Do you want a spanking?" Devin asked him

"NO!" Joseph said pushing his food over again.

"Alright it's time for a nap."

"NO!"

"You don't have a choice." Devin said taking him out of his high chair.

"So." Jazmine said.

"Who is she?" Joelynn said pointing.

"It's not nice to point Lynn." Rachel said to her god daughter.

"Sorry."

"She's um- sheâ€|" Joe said trying to think what to call her.

"I`m your sister." Jazmine said.

"I have another big sister COOL!" Joelynn said.

"Wellâ€|" Joe began to say.

"Can I show you my room?!"

"I would love to see your room." Jazmine said.

"I always wanted an older sister." JoJo said.

"Joelle she's not yourâ€|" Joe began to say

Jazmine looks up at Joe.

"Never mind." Joe said sighing.

"Can I call you dad?" Jazmine asked.

"Umm."

"Of course you can, he's your dad duuuh!" Jenn said.

"Actually Jazmine I think we should hold off on you calling me dad, at least untilâ€|"

"Until what?" Jazmine asked.

"Until the paternity test comes back." Rocky said.

"Thank you Rocky."

"Anytime."

"Well I hate to eat and leave, but I kind of don't." Rachel said scooting back.

"Well looks like I have to go too she's my ride." Rocky said.

"Can I show her my room now?" Joelynn asked.

"You have to finish your lunch first." Joe says.

Joelynn stuffs her sandwich in her mouth

"Can I go now?" Joelynn asked with her food in her mouth.

"Sure, just don't choke."

.

.

"Where did everyone go?" Devin asked walking back into the kitchen.

"Rocky and Rachel had to leave and the girls are upstairs showing Jazmine their rooms." Joe said.

Sitting down at the table Devin lifts her drink and says.

"Well here's to having a normal life."

Joe chuckles and lifts his drink up and then brings it to his lips

## 2. Chapter 2

"Good morning Devin." Jazmine said walking through the sliding door.

"Good morning." Devin said looking back.

"I can walk the kids to school if you want."

"No that's okay, don't you have to be at school?"

"Oh, right I almost forgot." Jazmine said.

"Where's dad?"

"Work."

"Oh, when does he get off?"

"He'll be home next Wednesday." Devin said.

"Why, what is he a truck driver?" Jazmine asked.

"Wrestler, for the Wwe." Devin said.

"Oh wow how cool."

"Yeah."

"So when he's at work and the kids are at school it's just you with Joanna and Joseph?"

"No Joey goes to day care so it's just me and Anna." Devin said.

"Who gets out first?"

"Joey he gets out an hour before everyone."

"Ohh."

"Alright guys, let's go, you're going to be late." Devin said stepping out of the kitchen and yelling up the steps.

.

.

"So the kids are off of home study?" Rocky asked.

"Well I'm going to be home for a while so why not." Devin says in between makes faces at her daughter.

"How are things with Jazmine so far?" Rachel asked.

"So far so good." Devin said before she blows raspberries on her daughters stomach.

Joanna giggles causing Rocky and Rachel smile.

"Where is she now?" Rachel asked.

"Peekaboo." Devin says as she removes her hands from in front of her face.

"Devin."

"Shes at school."

"Mmm." Rocky said.

"What?"

"Nothing."

"What?"

"Its probably nothing, I just seen Jazmine walking around before I got here." Rocky said.

"Mmm."

"She probably had a good reason not to be in school." Rachel says.

"Or not." Rocky says.

"Hey where's Joe?" Rachel asked looking around.

"He's back on the road." Devin replies.

"I thought he was suspended?"

"He was, you caught him at the end of it."

"Oh okay."

.

.

"Jazmine where did you go after I dropped you off?" Devin asked.

Walking over to the counter and picking up an apple Jazmine says.

"To school." and then bites it.

"Rocky said she saw you walking around when she was on her way over here, but by that time you should have already been in class."

Jazmine continues to eat her apple.

"Jazmine."

" I was walking to school." Jazmine says covering her mouth.

" But I dropped you off at school." Devin said.

"I didn't go to that high school."

Devin gives her a closed smile and asked.

"Then why did you let me drop you off there?"

Jazmine shrugs and says. "I don't know, but after you dropped me off I walked to my real school."

"And it took you that long to get there?"

Jazmine nods her head.

"Well next time you need to let me know, we're- I`m responsible for you until your mom gets back."

"If she comes back." Jazmine mumbles.

"What was that?"

"I said if she comes back, mom leaves for long periods of times- she says she'll be back around a certain time and she almost never comes back then."

"Do you have your grandma's number?"

"Yeah why?"

"Can you call her?" Devin asked.

"WHY?!"

"I just want to talk to your mom."

"Okay." Jazmine says taking her phone from her pocket.

Jazmine held the phone to her ear for a few moment's.

"She's not answering- sorry." Jazmine said hanging up the phone.

"It`s fine."

"Welp I'm going to take a shower, if thats alright with you."

"Yeah it's fine."

.

.

"Where's Jazmine?" JoJo asked sitting at the table.

"In the shower i think."

"Mommy i don't like this green stuff." Joelynn says.

"Then don't eat it."

"Tee-Tee." Jenn says.

Feeding Joanna Devin says.

"Just a second Jenn."

Giggling Joseph points and says.

"Look mommy!"

Looking up Devin quickly covers her son's eyes as the other kids quickly looked down at their dinner.

"Um, Jazmine where's your towel?"

"Oh i like to air dry, it feels so much better."

"Well you're not at home, so I'd appricate it if you'd cover your self."

Jazmine shrugs and says.

"Okay." and takes a seat at the table.

"Jazmine." Devin calls.

Looking down Jazmine laughs and says.

"Oh right." And gets up and skips out the back door.

"What are we going to do with her?" Joelynn asked.

Devin laughs.

.

.

Walking into the family room Jazmine lifts her arms and says.

"Fully clothed."

"Thank you."

"HEY WHAT ARE YOU DOING?!" Jazmine yelled pulling Joelynn by her arm.

Yanking Jazmine back Devin says.

"Don`t you EVVER -in your natural born life grab my daughter like that!"

"Sorry, it's just everything I own is in that bag." Jazmine said.

Loosing her grip Devin says. "Don't let it happen again."

"It won't." Jazmine assured.

### 3. Chapter 3

Next Wednesday night...

"So you never told me how Jazmine been." Joe says.

"Fine, there's been a few problems, but she`s a child I corrected the problem and she`s been okay ever since."

"That`s good." Joe replies.

"I've been trying to get a hold of her mom but she hasn't gotten back to me."

"Figures."

"What does that mean?" Devin asked.

"Nothing, it just sounds like Jazmine."

"I wouldn't worry about it- I'm going to get undressed." Devin said throwing her legs over her bed.

"Okay."

"Unless you'd like to take them off for me."

Joe pulls her back to the bed.

"Oor I could give you your own private show."

Grabbing her face and pulling it closer Joe pecks her on the lips and says.

"I like the third one better."

"I knew you would."

.

.

"JoJo are you awake?" Jazmine asked poking her.

"I am now."

"I'm scared, come with me to dad's room."

"I don't want to go in their room."

"But I do."

"Then why don't you go?"

"I don't want to go in there by myself, they might make me go back to my room- they won't say no if you come with me."

"Daddy let you sleep in the house tonight so there's no need to be scared."

"Easy for you to say your way up here and I'm way down stairs by myself if someone breaks in I'm going to be the one they kidnap first!"

"I want to sleep in my bed."

"Fine I'll ask Jenn then." Jazmine said turning on her heels as she walks out.

.

.

Sitting on top of him Devin and Joe`s tongues wrestled as Joe unhooked her bra.

.

.

"So you'll come with me?"

"Sure." Jenn said sitting up and whipping her eyes.

"Okay let's go!" Jazmine said tugging on her arm.

.

.

Taking control Joe pins Devin against the wall and grabs her thigh with his free hand and begins to kiss her neck then moving to her jawline then her lips which turns into biting of the lips, as he lets her arms drop to her side.

.

.

At this point you could hear them outside the door, they weren't too loud but you could defiantly hear them. Jenn was completely oblivious to what was going on but Jazmine defiantly knew.

"I don't think we should go in there." Jenn whispered even though she didn't know what was going on she knew her tee-tee and uncle would be upset, because the rules were they stay in their rooms at night unless they were dying.

"Oh stop being a baby!" Jazmine said changing her whole demeanor.

"I just don't want to get in trouble from my tee-tee or uncle and have to go home, I like it here."

"You won't get in trouble."

"Yes I will I`m going back to my room." Jenn said turning around and heading back to her room.

"Fine." Jazmine said to herself as she slowly opened the door.

.

.

Biting her lip Devin dug her nails into Joe`s back as Joe crashed his lips on her neck. Glancing up at the mirror beside Devin`s head Joe seen Jazmine standing at the once closed door.

"S\*\*t!" Joe yells as he quickly dropped Devin`s thigh.

Devin quickly drops down beside the bed and Jazmine turns on her heel with a blank expression and walks away.

"Oh my gosh." Devin said covering her face. " Why is she inside this house?"

"She probably didn't even see you."

"Yeah okay."

"Alot of kids have seen their parents having sex."

"That's the thing, I'm not her parent and she is not a child she's 16 she's damn there an adult."

"She's my child."

"You don't know that- not yet."

"Devin it not that big of a deal." Joe says tossing her her pajamas.

"How did she get inside?"

"Oh, it was getting late so i let her stay in the guest room down stairs."

"Joe!"

"What- was i not supposed to?"

Devins shakes her head and gets up and walks over to her dresser and pulls out a key.

"What are you doing?"

Devin doesnt say a word she just walks out her room and stops in front of Joseph and Joanna's room, looks inside and then locks their door and then walks over to Jenn's and then Joelynns and lastly JoJo's doing the same.

"So we're locking them in now?"

"As long as shes in the house we are." Devin said pointing down the stairs.

"Why, what did she do?"

"Does she have to do something for me to take precaution?"

"When you're locking your kids inside their rooms at ni..  
.."

Cutting him off Devin says.

"We don't really know her, and the things i do know about her I don't know how to feel about it just yet."

"What happens if there's a fire."

"Then we kick down the doors."

"Okay."

Devin turns back to her room.
